

**PRESS RELEASE**

1 April 2024

## **Hautärztliches MVZ Kempen GmbH joins the CORIUS Group**

### **Expansion of medical services in North Rhine-Westphalia as of 1 April**

**Munich/Kempen.** Continuing its growth trajectory in 2024, the CORIUS Group is pleased to announce the successful integration of Hautärztliches MVZ Kempen GmbH as of 1 April 2024. The expansion of the healthcare portfolio to include this dermatology practice marks a significant step in the strategic development of the CORIUS Group.

Hautärztliches MVZ Kempen GmbH has garnered a reputation for excellent medical care in dermatology, with many years of experience in the field. The practice, certified according to DIN EN ISO 9001:2008, offers a wide range of services in the areas of surgical dermatology, venereology, allergology, phlebology and aesthetic medicine. The team headed by specialist and medical director Dr Klaus Gerecht attaches great importance to patient-centred care as well as modern diagnostic and therapeutic procedures.

With the integration of Hautärztliches MVZ Kempen GmbH, the CORIUS Group is expanding its range of healthcare services and strengthening its position as a leading practice network in dermatology. "Our group is continually committed to optimising the range of medical services and offering patients first-class healthcare," says Heidi Niemöller, CEO of the CORIUS Group: "With Hautärztliches MVZ Kempen GmbH, we are gaining an important location where patients can contact a specialist for all matters relating to skin health even outside of the big city."

### About the CORIUS Group

The CORIUS Group is a network of dermatology and phlebology practices and clinics in Germany, the Netherlands and Switzerland. The group's main goal is to design the future of medicine and guarantee comprehensive care. Personalised successor models, attractive career opportunities and a significantly lighter administrative burden for medical staff make the CORIUS Group a strong, dependable partner. The common goal: to design the future of dermatology.
